PENSACOLA, FLORIDA, THURSDAY MORNING, SEPTEMBER 21, 1905.

PRICE, 5 CENTS

FIFTY CASES IN NEW ORLEANS WEDNESDAY

Physicians, However, Still Consider Situation Under Control.

ONLY SIX DEATHS

Reported During 24 Hours Ending at 6 o'clock p. m.

NOT ALL CASES REPORTED DEVELOPED YELLOW FEVER, BUT NO CHANGE HAS BEEN DECIDED UPON FOR SEPARATING ACTUAL AND SUSPICIOUS CASES.

By Associated Press.
New Orleans, Sept. 20.—Following is the official report to date:
New cases today, 50; total to date, 2,689.
Deaths today 6; total to date, 351.
New foci, 11.
Cases under treatment, 327.
Cases discharged, 2,011.

REGARD SITUATION FULLY UNDER CONTROL

New Orleans, Sept. 20.—The increase in the number of new cases reported today made no impression on the physicians who regard the situation as definitely under control. Few prominent names are among the new cases and none among the deaths.

Not all the cases reported as yellow fever developed that disease at the end of the thirty-six hours time necessary for a complete diagnosis but no change has been decided upon for separating the actual cases from those which turn out to be suspicious or malaria or typhoid. The officials believe it better that the list be imperfect than that opportunity be allowed for suppression of doubtful cases, with consequent danger of spreading the infection.

FLORIDA LEADS IN FULLERS EARTH

Washington, Sept. 20.—According to the geological survey the total quantity of Fullers earth consumed in the United States last year amounted to nearly forty thousand tons, of which 25,480 tons was produced in this country. Florida produced three-fourths of the entire American output, with Arkansas second. The survey takes the position that Fullers earth has almost superseded bone black for refining.

RATIFICATION OF PEACE TREATY

By Associated Press.
Washington, Sept. 20.—It is definitely stated that the exchange of the ratification of the treaty of peace between Japan and Russia will take place shortly after the treaty has been ratified by the respective sovereigns. It is probable that the ceremony will take place in the White House, as a compliment to President Roosevelt, but no definite arrangements have been decided by whom the treaties will be exchanged.

BLISS INVITED TO ATTEND CONVENTION

Mayor Bliss is in receipt of a letter from C. W. Olsen, secretary of the Immigration and Quarantine convention, to be held in Chattanooga from November 9 to 11th, to be present and also to assist the directors and officials in arranging plans for the convention.

The secretary, who is also president of the Chattanooga Board of Trade, refers in his letter to the resolution recently passed by the City Board of Health, and is of the opinion that it is an excellent one. He asks the mayor for suggestions as to the best means of securing good results from the convention, and says that he hopes the Pensacola executive will be in attendance.

WILL TRY TO MAKE FRENCH LICK GAMBLERS DISGORGE

ATTORNEY GENERAL MILLER, OF INDIANA, WILL MAKE AN EFFORT TO COLLECT MONEY LOST BY AUDITOR SHERRICK—SHORT-AGE OF DEFAULTING OFFICIAL NOW \$127,372.

By Associated Press.
Indianapolis, Ind., Sept. 20.—According to Attorney General Miller, who now has charge of the legal matters pertaining to the alleged defalcation of former state auditor Sherrick, the state will make an effort to collect the money, which it is alleged has been lost by Sherrick at the gaming table. The amount referred to by Governor

Hanley in his speech at Hamilton, Ind., as having been lost by gambling at French Lick in April, 1903, is ten thousand dollars. It is understood that other amounts were also lost in a similar manner. The shortage of Sherrick will be reduced to \$127,372 tomorrow. No new estimate has been made of the real value of the remaining securities turned over by Sherrick.

CONTRIBUTIONS TO POLITICAL CAMPAIGNS

President of New York Life Says Candidates Hounded Him for Money.

EVEN PARKER TOOK EVERY DOLLAR THAT WAS OFFERED HIM—McCALL TELLS LEGISLATIVE COMMITTEE OF BIG SUM DONATED TO DEFEAT SILVER ISSUE.

By Associated Press.
New York, Sept. 20.—Political contributions of the New York Life Insurance Company and the connection of Andrew Hamilton of Albany, with the alleged political activity of the company were the features of today's investigation by the legislative committee.

President John A. McCall was the chief witness and he was subjected several hours to a fire of questions from Charles E. Hughes, counsel for the committee. The climax was reached when McCall declared that soliciting of funds for campaign purposes was not confined to the republican party in 1904. He said "My life was made weary with democratic candidates chasing me for money. Some of the very men who are today being interviewed in the papers and who are denouncing men who contribute for campaign purposes crossing my path at every step looking for money. Parker himself, it would show by the books when he was chairman of the Democratic State Committee, took every dollar offered him. Parker was chairman of the Democratic State Committee in 1885."

McCall said that contributions were made only to the National campaign fund and were made last year not so much to aid the republican party as to defeat the silver issue and support the gold standard.

It was shown that \$235,000 had been paid to Hamilton with only a verbal accounting to McCall and not passed upon by the finance committee. McCall declared no money was ever given Hamilton to influence legislation.

It was shown that Hamilton now owes sixty thousand dollars, but McCall declared it would be repaid if called for.

JUDGE PARKER SAYS McCALL IS LYING

New York, Sept. 20.—Judge Parker said tonight that if McCall intended

PROCLAIM REIGN OF GRAFT IN PHILADELPHIA AT END

REFORM ORGANIZATION NOMINATED CANDIDATES TO RUN AGAINST REPUBLICAN NOMINEES AND EXPECTS ENDORSEMENT OF DEMOCRATIC COUNTY CONVENTION TODAY.

By Associated Press.
Philadelphia, Sept. 20.—The "City Party" reform organization held a county convention today to nominate candidates for sheriff, coroner and two county commissioners to run against the republican nominees who were named last week. These nominees, it is expected, will be endorsed by the Democratic County convention tomorrow.

Chairman Edwards in the opening speech declared: "We proclaim that the reign of graft in Philadelphia shall

end. This body is consecrated to a lofty purpose and I wish to offer a tribute of thanks to Mayor Weaver, who has done more than any individual to give the people of Philadelphia an opportunity to win freedom." This was greeted with cheers.

The convention adopted a platform declaring that the party was formed to free the city from the control of corrupt and criminal conspirators calling themselves republicans. It aims to put an end to government by and for municipal contractors and substitute a government for the citizens.

MISS ROOSEVELT LUNCHEONED WITH EMPEROR

Korean Ruler, for the First Time in His Reign, Luncheoned With Foreigners.

By Associated Press.
Seoul, Korea, Sept. 20.—The emperor today, for the first time in his reign, luncheoned with foreigners. He first gave an audience to Miss Alice Roosevelt and Rear Admiral Train.

American Minister Morgan escorted Miss Roosevelt to the banquet hall, where they sat together. The crown and other prizes distributed with the other members of the visiting party at small tables, with generals of the army and ministers.

The emperor toasted the daughter of the president and Minister Morgan replied for her, wishing a long life to the emperor.

After luncheon, which consisted of native foods, Miss Roosevelt received the Korean cabinet and other high officials.

to convey the impression that Parker directly or indirectly solicited from him or any corporation any money or valuable thing McCall's statement was absolutely false. He expressly notified the chairman of the National committee that no money should be received from corporations.

William F. Sheehan said not a single man connected with the Democratic National campaign had solicited from McCall.

BOARD OF SAFETY HELD REGULAR MEETING

Routine Business Was Transacted, and Applications for Positions Received.

The Board of Public Safety held a regular meeting yesterday afternoon at 3 o'clock, when considerable business which had accumulated during the past few weeks was disposed of. Reports of the fire chief upon the number of fires, the loss and damage, and the marshal upon the number of arrests, fines and collections were received and filed.

The report of the marshal showed that 471 arrests had been made during the month of August, of which number 144 were white and 327 colored. The record shows that 114 were discharged, 339 found guilty and 18 sent to the criminal court. Fines assessed amounted to \$1,906.75 and costs \$320.00. The collections were \$1,268.75 from fines, \$251.50 from costs and \$45.25 from pound fees.

Applications for positions in the police department were read from C. H. Wells, R. E. Hendricks, Dell Johnson, J. R. Simmons, E. H. Simpson and W. C. Ward. All were referred to the marshal to be reported on at the next meeting.

Applications for positions in the fire department were received from J. W. Mann, and John Sherman, and were referred to the chief of that department.

The resignation of Officers J. H. Walsh and John Ingram were received and accepted, and the resignations of Dillon Tinsart and Jas. Griffin from the fire department were received and accepted.

PASSENGERS TO BE TRANSFERRED

By Associated Press.
Baltimore, Sept. 20.—The North German Lloyd steamer Neckar left here this afternoon for Halifax where she will take on the passengers of the steamer Bremen which broke a shaft and was towed to Halifax by an oil tank steamer. The Neckar will then proceed to Bremen with the passengers.

BRYAN STARTS ON TOUR TO-DAY

By Associated Press.
Lincoln, Neb., Sept. 20.—Mr. and Mrs. Wm. J. Bryan with their son and daughter leave tomorrow for a tour of the world. They will sail from San Francisco on Sept. 26, and reach Tokyo October 15. From Japan they go to the Philippines, thence to Australia and New Zealand and will spend the winter in India. Next spring and summer they will visit the Holy Land and large cities of Europe.

Mr. Bryan expects to be absent not less than one year.

STREET FORCE FILLING IN ROMANA STREET

A big force of city street employees was placed at work yesterday filling in East Romana street, and it is the intention to put that thoroughfare in excellent condition before the work ceases.

The street passes through a portion of the marsh recently cleared up by Wright's mill, and has been in such condition that it could not be used, water standing there for months at a time. There are also several cottages in that section under which water stands the year round, and the idea of the city is to drain this place and open it up to travel as well as making that section more healthy.

FIVE NEW CASES OF YELLOW FEVER

Reported by State Board of Health Physicians During Wednesday.

WIDELY SCATTERED

Three of the Patients Had About Passed Period of Infection.

ALL FEVER CASES SHOULD BE REPORTED IMMEDIATELY TO PREVENT SPREAD OF THE DISEASE—NUMBER OF DOUBTFUL CASES REPORTED—SITUATION STILL HOPEFUL.

A summary of the fever situation up to last night is as follows:
New cases, five; total to date, 49.
Deaths, none; total to date, nine.
Cases under treatment, 8;
cases discharged, 32.

The news given out last night at the Board of Health headquarters regarding the yellow fever situation was not so encouraging as it has been for the past few days. Five new cases developed during yesterday and were reported upon last night. Of these only two had been under surveillance by the physicians, the remaining three having been ill for several days without the attention of a physician.

The New Cases.

Those developing new fever yesterday were:
J. A. Perdue, No. 416 East Wright street.

Jennie Robinson, on the beach near Perdido wharf.

Emma Irwin, colored, No. 406 South Cavallos street.

Mr. and Mrs. Jackson, Quigley's alley, near corner of Main and Olivia streets.

The latter two cases have been closely watched by the physicians for several days, but it was not until yesterday that the physicians could pronounce it yellow fever, as all the symptoms had not developed. The above came officially from the headquarters of the State Board of Health and will be bulletinized this morning in front of the Merchants hotel. Dr. Porter, the state health officer is now posting daily bulletins as to the new cases, and this will probably be continued during the time that yellow fever exists.

Cases Not Reported.

The other three cases were not reported to the physicians, and several days have elapsed since they were first taken ill. The patients had no physician attending them, and consequently no precautions were taken to screen or fumigate the houses until yesterday when they were discovered, when steps were immediately taken to prevent the spread of the disease, though the infected period has about passed.

Must Report Cases.
Statements coming from health headquarters last night were to the effect that unless cases of above character were reported at once that it
